Subject: Congresswoman Ann Wagner's staff requests an update on the West Lake Landfill site

Good Morning,

Would you like for me to move forward with scheduling a conference call briefing?

Please advise.

Thanks.

Subject: EPA Conference Call

Latonya,

Hope you are doing well this morning. In light of the recent news stories about new cases of elevated temperatures at the Westlake/Bridgeton Landfill, we would like to request another conference call update for Congressional staff from EPA. We realize it has been awhile since we have had one of these and think it would be beneficial for us to be able to inform our constituents on what is occurring. We look forward to your response.

Thanks
